

# Young Entrepreneur Show

**Young Entrepreneurs are "Open for Business"**

*Over the past several weeks, some of our students have been participating in Power Play Young Entrepreneurs, an engaging, hands on program that empowers students to develop their own businesses. These enterprising students have committed to building new skills and are now ready to display their business plans and market their products. Our Young Entrepreneurs invites parents, teachers, and students to attend their Young Entrepreneur Show.*

*There will be a variety of crafts and creative surprises. Please send students with an amount you are comfortable with. Prices generally range from 50 cents to \$5.00. Mark Your Calendars. We look forward to seeing you there.*

*Covid 19 Rules - To safeguard students and staff -students will come down to the gym with their classes where they will see all the products on tables for sale. On a form at the corner students write their name, division, order, colour, size and quantity. Later that day or early the next, sellers will deliver and pick up monies from classes.*
