

Kindergarten Gradual Entry 2024

Gradual entry makes for a smoother transition as students adapt to a new school environment, new teachers, new classmates, and new procedures. This fall we will begin Kindergarten by hosting two days of Kindergarten Explorations for students and caregivers (more details to come). Over the remainder of the first two weeks, the amount of time then gradually increases until the students are attending through the lunch hour and for a portion of the afternoon. The first full day of school is Monday September 16th.

This schedule also provides time for the teacher to be present for two lunch times at the end of the second week to support the noon-hour supervisor and students as they get to know each other and establish their lunchtime routines.

Below is the Gradual Entry Schedule:
