## Did You Know?

No, it wasn't started to help farmers.

In fact, according to Time, the farm lobby campaigned aggressively against Daylight Saving Time. That's because it gave them one less hour in the morning to milk their cows and send their crops to market. Farmers in the U.S. lobbied successfully to stop Daylight Saving Time after World War I, and it wouldn't go back into effect until the next world war.

## Art Cards Going Home Soon

A big thank you to our PAC for sponsoring Joanne Howard, our wonderful visiting artist! Our students had an amazing time creating artwork under her guidance. Art cards featuring their beautiful creations will be coming home soon, giving you the opportunity to purchase and celebrate their hard work.

## Spring Break Reading Challenge

Students are invited to participate in the Spring Break Reading Challenge.

How to play:

Take photos of your child reading in different spring break spots

Email Mrs. D'Aoust your picture, child's name and division

Every photo counts as an entry - 10 DIFFERENT photos = 10 entries

In April randomly drawn winning students will win a free Scholastic book of their choice AND a chance to plan a fun library block for their class. Classes with the most entries will win a special library prize!

Send photos to: [cdaoust@deltaschools.ca](mailto:cdaoust@deltaschools.ca)
